17/174 PUBLIC SPEAKING

A member of the public raised concerns regarding traffic around The Green junction and suggested a warning sign for when vehicles turn right onto The Green due to the bend.

The lights on the pedestrian crossing close to the post office coming from Ashbourne towards Derby are not working properly.

Councillor Bull reported that 80% of pothole repairs had been completed.

A parishioner asked why it isn't compulsory for new houses to have solar panels. This will be referred to DDDC as renewable energy is one of the priority requirements set out in the Local Plan.

It was agreed to ask the Police for more speed enforcement measures.

Further to parishioners questions it was agreed to ask J Bradbury/P McLoughlin what happens when more council tax is received from newly built house parishioners and why this does not allow for services to be upgraded proportionately.

Councillors thanked Councillor S Bull for his support with the ongoing problems in the Parish.

It was agreed to make a second formal complaint (last March 2017) to Dorcas Bunton DDDC regarding the non-attendance since the last election and lack of apologies from Councillor Angus Jenkins (DDDC).

The following Police update had been received from PCSO J Dales.

1. *Marked Police Car*

This is something we can look at doing, but I know we are very short of cars at the minute. When the situation improves, then it's something we can look at.

2. *Locations , dates and times when CREST have carried out enforcement.* *Cllrs registered concern that there had been few recent enforcement visits*

What we can however confirm is when enforcement is possible it will always prioritise the roads which present the greatest evidenced risk to the public and our assessment of this is continuous.

3.I have passed your concerns and dissatisfaction on to PC Baggaley of how the force requests information from local residents regarding a particular incident, whether this should be a standard letter or not and how we keep the community informed without causing further distress or alarm.

4.Speed watch training.

Still ongoing and will probably not take place now until after Christmas.

5. Enforcement.

PC Wolverson shall be carrying out speed enforcement on the A52 AFTER Christmas.

I'm sorry we have been unable to arrange a date to complete the training for the new volunteers FOR SPEED WATCH or carry out any enforcement in November . We have been extremely busy but will end ever to arrange dates after Christmas.

17/175 MINUTES OF MEETING HELD 1.11.17

It was resolved that the Minutes of the Parish Council meeting held on 1.11.17 were approved and signed by the Chair

17/176 TO DETERMINE WHICH ITEMS, IF ANY, FROM PART 1 OF THE AGENDA SHOULD BE TAKEN WITH THE PUBLIC EXCLUDED

None

17/177 CHAIRMAN'S ANNOUNCEMENTS

Councillor Laughlin reported about the Annual Institute meeting that a number of Councillors had attended. Councillor Laughlin had offered help with a business plan which had been declined. It was agreed to write to the Institute asking for

a meeting with the Chair/Vice Chair and bookings secretary from the Committee with the PC Chairman and official PC representatives to discuss a way forward (including getting more village input to the Institute Committee).

17/178 NEIGHBOURHOOD PLAN

The Neighbourhood Plan had been updated and will be re-submitted with some revisions.

17/179 THE PLAIN – PLAYING FIELD

A draft of the transfer had been received. It was resolved to proceed with the transfer. Costs for the transfer from DCC will be approximately £800 Surveyor fees and £500 legal fees. Details on boundary responsibilities are still awaited and confirmation required that the area for adoption is the fenced area and not the verge.

17/180 LOCAL DEVELOPMENT PLAN

A decision on the local development plan is due tomorrow.

17/181 LITTER BINS/LITTER PICK

A request for an additional bin on Luke Lane had been met with the option to either move an underused bin or purchase a new one at a cost of £375.00. It was agreed to ask for the bin by the Rose and Crown to be moved and ask Miller Homes to make a donation towards a new one. There is also a bin that hasn't been emptied by the new estate. DDDC will be advised

17/182 FLOODING ON THE NEW MILLER DEVELOPMENT LUKE LANE

It was agreed to contact Miller Homes directly about the flooding issue especially on School Rise.

17/183 SPEED MANAGEMENT SIGN/GATEWAY SIGNS

It was agreed to ask Aggregate industries to sponsor a village gateway for Luke Lane which is used by their transport.

A request was made to Cllr Bull for further consideration to be given to the installation of a second traffic speed warning sign to be purchased by the PC. It was resolved to gather more evidence of persistent speeding through the village by requesting more frequent visits by the police CREST team. Cllr Cragg identified key times as 0500-0700 in the morning and 2230-2330 at night.

17/184 GROUNDS MAINTENANCE CONTRACT 2018

Quotes had been received from four contractors. It was resolved to accept the quotes from P Fox for a two-year contract for 2018 and 2019.

17/185 PARISH NEWSLETTER

A draft newsletter had been circulated. Further additions were suggested which will be sent to Councillors for review and to be printed for January distribution.

- DCC response to request for new flashing speed signs. Please refer to this report relating to the signs in Hlland Ward: [https://www.derbyshire.gov.uk/images/2015.09.29%20\(4c\)%20Hlland%20Ward%20VAS_tcm44-270560.pdf](https://www.derbyshire.gov.uk/images/2015.09.29%20(4c)%20Hlland%20Ward%20VAS_tcm44-270560.pdf) . You will note that it was resolved that those signs were a special exemption from the Authority's criteria and all future requests be assessed in accordance with the existing criteria until any future review of the criteria is undertaken. I can confirm that no review of the criteria has taken place, therefore, there would be no scope for erecting signs as you have suggested. Just for information, the speed surveys that have been carried out by Derbyshire County Council in Hlland Ward show that speeds had risen following the erection of the SID signs.
- District Council Area Community Forums - 8 November, Matlock
- Response from DDDC ref Miller Homes planning application. All of the approved drawings can be viewed on the councils website. If you enter the application number 16/00437 on the planning application search feature and then view associated documents the approved layout is identified as amended layout plan dated 28/10/2016. When you access this you will see 4 dwellings identified as BUNG on the layout plan. These properties are the bungalows and elevations and floor plans are also on the website if you wish to view them. I note your comments about the number of bungalows delivered. There will be an opportunity for this matter to be considered further
- The Plain Playing Field. I confirm that County Council approval was gained on 26/10/17 and I have given instructions for the County Council's legal services to prepare the legal documentation.
- DCC. It is anticipated that the works to install the flashing amber warning lights at the school on Luke Lane, Brailsford will take place during December 2017 with a view to them being up and running for the start of the new school term in January 2018. Instructions have also been issued for other signing works in the village which should be carried out over a similar timescale.
